

3300X

Reliable and easy to maintain, the 3300X is a classic for a reason. Available in both bottled and mains connected, table top and floor standing, there is a version of the 3300X to suit nearly all spaces. With a large capacity, it can cope with heavier demand. The push paddle taps are ideal for those needing a more hygienic solution, as they don't require hands to touch the cooler to work.

- Solenoid Taps - Push type. Made of high impact durable ABS. Easy to remove, clean and replace.
- Dispensing Height - 14cm
- Hygienic - easy to wipe surfaces clean
- Capacity - 20 litres of chilled water per hour below 12 degrees
- Power supply - 220-240 Volt, 50/60Hz. and 3 pin plug

Additional Accesories

- Installation Rails and Filters
- Overflow Kits
- Replacement Taps
