

Our Impressively Quiet Under Sink Chiller

- Available with a Stylish Chrome Designer Tap

Description

The UC800MC is our innovative new undersink water chiller, which supplies cooled, filtered water on demand from a counter-mounted tap adjacent to your sink or handbowl. The impressively quiet electric refrigeration unit installs discretely inside your base cupboard and can dispense a cool 11.5 litres an hour.

Specification

- Cold Water Capacity 1.95L
